Two roads diverged in a wood, and I—
I took the one less travelled by,
And that has made all the difference. Robert Frost

Get ready to journey on the road less travelled so that you can live life fulfilled and do what you were put on earth to do.

"There is no man living who isn't capable of doing more than he THINKS he can do."
Henry Ford

God calls the unqualified and qualifies them

God uses imperfect people like you and me to bring about His purposes

Don't jump to conclusions, don't let circumstances fool you...Ask the Lord to show you what things look like from His perspective.

Ask God to remind you of all the things He has said to you, and all the things that He has done in your life.

Is it possible that you're only seeing the tip of the iceberg?

God is using you much more than you know.

"All of us are born for a reason, but ALL of us don't discover why." Danny Thomas

God created each one of us with a specific purpose in mind

"Everyone has their own specific vocation or mission in life... everyone's task is as UNIQUE as their SPECIFIC OPPORTUNITY to implement it!" Viktor Frankle

God is using you much more than you know.

Life is full of ups and downs and twists and turns...

What dreams are you dreaming that will make a difference a hundred years from now?

Imagine pursuing a dream so big that only God can turn it into a reality.

Face your fears and chase your dreams with God.

The door to the future

If you're just letting life happen to you you're missing out on God's best!

You're one idea, one step of faith one decision away from an amazing journey.

What if you faced your fears and took a leap of faith and did things God's way?

"We're so busy climbing the ladder of success we fail to realise it's leaning against the wrong wall." Steven Covey

"Success is waking up in the morning and bounding out of bed because there's something out there that you LOVE TO DO, that you BELIEVE IN, that you're GOOD AT – something that's BIGGER than you are, and you can hardly wait to get at it again."

Most people believe that God is real, but I haven't come across many people who live like everything God says is true.

"They allow their circumstances to get between them and God instead of letting God get between them and their circumstances." Mark Batterson

God is so much bigger than your past, He's so much bigger than your biggest problems, your worst failures, your biggest mistakes.

Holy Spirit plants dreams in your heart... And He revives dreams that have been dormant and brings them back to life... He does that in so many different ways.

- Sometimes it's through a book you read
- sometimes it's through a sermon you hear
- sometimes it's through a prophetic word
- sometimes it's through stranger who comes for dinner
- Or a seemingly chance encounter

God-sized dreams always take us beyond our own ability and beyond our current resources.

There are pivotal moments in our journey that radically change the course of our lives. And they often come unannounced.

What is God setting you up for?

I believe that God orders our footsteps, and that He prepares good works in advance for us to do and that He makes all things work together for good for those who love God.

You can't change what you're unaware of.

- Do you ask God questions?
- When was the last time you asked Jesus to tell you what He wants you to know?

"Call to me and I will answer you, I'll tell you marvellous and wondrous things that you could never figure out on your own." Jeremiah 33:3

The door to your future...

God strategically positions us in the right place at the right time – He set us up for divine appointments.

Don't let what you can't do keep you from what you CAN do!

Don't give up before you even try.

Partnering with God to change your reality.

Let God take the reins...

I believe that God is saying... let me take the reins. Come to me for fresh manna every day, and share what I give you rather than what you glean from others. Wait on me and I will give you words of life.

What might your life look like if you reimagined it with God?

- Ask the Lord to show you what your life looks like 5 years from now.
- Who do you need to become for that to be possible?
- What needs to change?

Path to Personal Transformation and Lasting Change

- Line up what you THINK, SAY and DO with what God says
- Agree with God! Say the same things He says about you and your circumstances
- Discovering who you REALLY are in Christ and living as though it's true is a big key.
- PUT ON who you are in Christ. Colossians 3:1-15
- Plan with Holy Spirit – decide what matters most and focus there
- Work in partnership with Holy Spirit.
- Keep checking in with Holy Spirit so you to know what to focus on NOW, "What's the most important thing to FOCUS on NOW? There can only be ONE most important thing.

Success happens one step at a time and it's shaped by your thoughts and your choices.

ESSENTIAL Keys

- Ask God to show you what things look like through His eyes.
- Sow blessing, love and encouragement to shift the spiritual atmosphere and
- Give God GOOD material to work with—there is power in your words

Taking time to ask God questions and getting His perspective will take you to different places and change your life beyond recognition.

- Father what do you want to tell me about my future?
- What did you have in mind when you created me?
- What do you see when you look at me?
- What do you want me to know about (fill in the blank)?
- What does breakthrough look like for me?
- What do I need to change to be more in alignment with You and Your Ways?

AGREE with what God says, BEHAVING and SPEAKING as though it's true

Instead of using your words to describe your current circumstances—use your words to CHANGE your situation

Now faith is the assurance (the confirmation, the title deed) of the things we hope for, being the proof of things we do not see *and* the conviction of their reality, faith perceiving as real fact what is not revealed to the senses Heb. 11:1 AMP

God speaks of the so far non-existent things that [He has foretold and promised] as if they [already] existed, He wants us to do the same. Romans 4:17

Your identity needs to affect the circumstances and situations that you find yourself in. Not the other way around. The influencer, rather than influenced.

Call those things which do not exist as though they did. Romans 4:17 NKJV

Speak of the non-existent things that He has foretold and promised as if they already existed. Romans 4:17 AMP

Remind yourself who God is and who you are in him.

Ask God

- How can I partner with you in this situation?
- How can I cooperate with what you're doing?"

When you ask questions like that it allows room for God to shape your responses. Instead of the circumstances ruling how you respond, you can respond with God's wisdom.

ACTING IN FAITH IS THE KEY THAT OPENS THE DOOR.

Getting back on track

- Ask God to remind you of things you've lost sight of
- Ask God to remind you of things He's spoken to you that are yet to be
- Ask Him to show you the next step for YOU

You can do something that no one else can do in a way that is totally unique to YOU. Someone may have a similar personality or similar gifts, but they won't express them in the same way

God had good works in mind for you before you were born; you were created as a solution to a problem that God knew was going to exist. Think about that

You're in history for such a time as this - to influence, dream, design, create, solve, invest, give, build, pray and intercede, to make a difference.

Partner with the Lord to produce your roadmap.

It's often the things people have NOT done that cause them the most regret.

- What will you lose if you stay safe and don't pursue your destiny?
- What would that cost you and other people?
- What would the consequences be?

Be prepared

- To become something more than you are right now.

- To see things you've never seen before.
- To be open to new possibilities.
- To get ready for and embrace the result of God's magnificent plan for your life.

Your dream is *greater than your history, greater than the failures of the past, greater than discouragement, greater than any emotional scars.*

What are the next steps for you? Ask the Lord to show you.

- Where am I now?
- Where am I headed?
- What's the gap?
- What do I need to do to start closing the gap?

Set time aside to examine your heart, enquire of the Lord.

Ask the Lord to show you His strategies.

When you co-labour with Holy Spirit you will begin to see more extra ordinary things and see the realisation of the things your Heavenly Father has caused you to dream.

If you want to get different results you're going to need to do some things differently.

- Put God at the centre of your life and give him the reins.
- Learn new ways of living.
- Rediscover who you really are and find out what Father purposed for you before the beginning of time.
- Learn how to take thoughts captive and renew your mind.
- Learn how to be led by Holy Spirit every day so that you can make better choices that help you get on track and stay on track.

Imagine what your life would be like if you gave God his rightful place and did things His way.
